

10/11/2019 - Rivetting aft top fuselage cont'd - 8H

Category: 3.9b. Top Fuselage

Published: Thursday, 05 December 2019 09:27

Hits: 972

Completed all the rivetting work on the aft top fuselage. No more cleco's excepts for the static port clips and the two stiffeners in the front that first will need to be painted in the interior color.

Mr Needlehead is no more...
